

Dear valued ZEISS customer,

We are writing to inform you about the Product Security and Telecommunications Infrastructure Act 2022 (PSTI Act) in the United Kingdom and how Carl Zeiss complies with this regulation.

You can find detailed information on the UK PSTI Act under [www.legislation.gov.uk](http://www.legislation.gov.uk).

The PSTI Act requires, among other things, that manufacturers provide customers with the period of time that security updates are available for the affected products. We have therefore prepared the following table as a summary for our products that are in scope of the PSTI Act:

Carl Zeiss Product Name and Model	Product type - Device or Mobile App	Support Period for Security Updates (years)	Support Period for Security Updates Until (at least date)
Secacam 3	Device	2 years after last product is sold	2028-04-29
Secacam 1	Device	2 years after last product is sold	2028-04-29
DTI-1	Device	2 years after last product is sold	2028-04-29
DTI-6	Device	5 years after last product is sold	2031-04-29
Secacam 7	Device	2 years after last product is sold	2028-04-29
Secacam 5	Device	2 years after last product is sold	2028-04-29
Victory RF	Device	2 years after last product is sold	2028-04-29
Zeiss Hunting App	App	2 years after last product is sold	2028-04-29
Zeiss Secacam App	App	2 years after last product is sold	2028-04-29

For discontinued products: There were no security updates, and these products will not receive any security updates in the future. <http://www.zeiss.com/pno/legal>

The corresponding Statements of Compliance for the individual products can be found at the following address: <http://www.zeiss.com/pno/legal>

You can also view our Vulnerability Disclosure Policy on our homepage, which contains important information for you on reporting security incidents with Carl Zeiss products.

Here is the link to our Vulnerability Disclosure Policy: <https://www.zeiss.com/disclosure-policy.pdf>

If a security incident should occur with one of our products, please contact us so that we can react accordingly.

Best regards,                      your ZEISS Team
